DETAILED ACTION

Allowable Subject Matter

Claims 2-14 are allowed.

The following is an examiner's statement of reasons for allowance: The Examiner objected to claims 2-6, and 8-9 as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Applicant agreed and amended the application to be placed in condition for allowance as seen in the most recent amendment dated 2/13/08. The reasons for allowance can be seen in the Final Office Action dated 11/27/07.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
